Forecast For East of England
Issued by Met Office Exeter
at 0400 on Thursday 09 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Bright and sunny with isolated showers.

Today:
A bright and sunny day with isolated showers developing from late morning, these most frequent towards the west along with a low risk of thunder. Cooler than yesterday but still feeling warm. Maximum temperature 25 deg C (77 deg F).

Tonight:
Any remaining showers will quickly ease this evening leaving a clear night. Feeling warm and muggy overnight particularly near the coasts. Minimum temperature 17 deg C (63 deg F).

Friday:
A mostly cloudy day with scattered showers across the region, these heavy at times with a low risk of thunder. Some sunny spells, particularly into the evening as showers ease. Maximum temperature 24 deg C (75 deg F).

Outlook for Saturday to Monday:
More settled over the weekend with scattered cloud and plenty of sunny spells, staying dry for most. Warm on Saturday then turning cooler. Light showers possible on Monday.
